

# ANDREA BAUER

EXECUTIVE & CAREER COACHING

*Live. Lead. Thrive.*

Andrea Bauer offers individuals and organizations high end, high touch, highly customized (and high result) coaching programs and services in the areas of leadership, executive and career development.

## *Clients*

High potential leaders & professionals – from individual contributors just starting out to all levels of directors growing their careers to seasoned senior execs becoming even more effective leaders.

## *Corporate Clients* (partial list):

Alza, Boehringer Ingelheim, Cisco Systems, Lam Research, Nordic Naturals, Performant Financial Corp, Telefora, Varian Inc., Visa Inc., plus countless confidential individual clients in start-ups & leading edge organizations.

## *Business Units* (worked and/or coached in):

Corporate Strategy, Business Development, Product Development, Key Account Management, Risk Management, Marketing, Sales, Finance, Human Resources, Learning & Development, Legal, Manufacturing, Systems Development, Operations, Engineering and Information Technology.

## *Client Successes*

Clients report increased clarity, focus, and freedom to express their true innate potential in the workplace; greater wisdom, impact and influence; increased performance, confidence and decision-making, and a healthier, happier and harmonious life.

Many are promoted, find new “next level” jobs, create new jobs within their orgs, transform their existing jobs, transition industries/careers, on-board well into new opportunities, grow their careers, re-balance their lives, start listening to and following their inner wisdom, develop and practice sustainable self-care practices and THRIVE personally and professionally as of a result of their work with Andrea.

## *Education*

Mathematical Economics degree from Pomona College, Claremont California

## *Coaching Certifications*

First coach in California to be certified in mBIT (Multiple Brain Integration Technique)  
Certified Professional Coactive Coach through CTI (Coaching Training Institute)  
Certified NLP (Neuro Linguistic Programming) Practitioner and Time Line Therapy practitioner

## *Coaching & Leadership Experience*

Launched and wrote (for four years) the ‘Corporate Leadership’ column for ‘Choice Magazine, The Magazine of Professional Coaching’.

Served for three years as an advisor on the AIESEC Berkeley Board of Advisors.

First person selected for Visa’s newly minted Management Training Program

Active in the International Coach Federation (ICF)
